

Mason Moor Primary is a good school.

Message from the Headteacher

I am delighted to share with you the report from our recent OFSTED inspection. As you were aware 3 inspectors spent 2 days looking at all aspects of school life, with a significant focus on quality of teaching, standards of learning, pupil behaviour and safeguarding.

The report is testimony to the hard work of the entire school team: teachers, teaching assistants, site team, office team, leaders and governors. I am incredibly proud of the recognition for their hard work which is captured within the report. I believe that the report also celebrates clearly and loudly the voice of your children in how they talked, with pride, about their school and the way that they work.

Reading this report, I feel that the inspectors really captured the essence of Mason Moor: our strengths and the areas we continue to improve and focus on.

I would encourage you to read the entire report as it paints a detailed picture of the entire inspection, including the targets that they have set for the school's future.

This letter also summarises some of the highlights—please share it with your friends and neighbours—we are a great local choice for primary education.
