Dear Parents and Carers,

Our curriculum topic for after half term will be looking at the following questions:

What are we doing to our world?

What can we do for our world?

We would like to start our learning off by focussing on litter in our local area. The children will be taking part in a supervised litter pick in our school grounds and they will also be carrying out short walks in the local area, to identify the litter in our community.

The children will be using gloves and litter pickers to carry this out in a hygienic and safe way. If you do not want your child to take part, please can you let their class teacher know by Friday 15th February 2019.

Kind regards

Miss Jo Mumford
Deputy head teacher
