Attendance Governor

All parents or carers have a legal responsibility to ensure their child regularly attends school. When a child attends school on a regular basis, they take an important step towards reaching their full potential, and are given the greatest opportunity to learn new things and develop their skills. Attendance in schools needs to remain a priority to ensure that children and young people are given the chance to achieve their potential. The statistical links between attendance and achievement are very strong.

The governing body may wish to appoint a governor with specific responsibility for pupil attendance. The pupil attendance governor is the link between the governing body and the school in relation to attendance and should meet the designated staff lead regularly, probably on a termly basis. The nominated governor should help the governing body ensure that its statutory duties in relation to pupil attendance are met and that that staff and governors are appropriately trained.

The role includes:

- Understanding the statistical data, and how it compares nationally – what is the current attendance at the school? What % is persistent absence sitting at? What analysis of pupil groups does this show? Does the attendance lead know/act on trends?
- confirming that the school has an attendance policy which is regularly reviewed in consultation with staff, parents and pupils, and formally approved by the governing body;
- being familiar with the school's attendance policy, any initiatives, nationally and locally;
- meeting termly, by appointment, a relevant member of staff at the school to discuss the progress and effectiveness of the attendance policy (in accordance with the Governor Visits to Schools policy);

- keeping knowledge up to date by attending relevant governor training courses run by the Local Authority.

Non-core subject Governor

The purpose of linking every governor with a particular subject / area is to support the school in its work of raising pupil attainment in the school and to assist the governing body to have a better understanding and knowledge of the subject / area within the school.

The role includes:

- A reminder that learning in your subject BEGINS in EYFS – go and see it there – is it growing/developing a love of the subject?
- confirming the school has a scheme of work in place for the subject / area and that it is reviewed;
- developing knowledge of the subject / area and being familiar with strategies and keeping informed of any local initiatives;
- meeting as and when required, by appointment, with the designated member of staff for the subject / area (in accordance with the Governor Visits to Schools policy);
- supporting the subject / area co-ordinator / head so they can achieve targets;
- being informed about staffing arrangements and training;
- being aware of the budget available for the subject / area within the school and monitoring its effective use / use of resources etc;
- being aware of curriculum and timetable arrangements;
- being aware of special needs / additional needs provision for the subject / area;
