

MASON MOOR

PRIMARY SCHOOL

Thursday 19th October 2023

Dear Parents and Guardians,

It is with immense pleasure and excitement that I write to inform you about an upcoming educational adventure that promises to be both fun-filled and enriching. On **Thursday, 2nd November**, our Year 2 students will embark on an exciting trip to the renowned London Zoo.

Departure Time: 9:00am

Return Time: 5:50pm

This is an integral part of our curriculum, designed to complement and enhance our students' learning experience. The trip will provide a unique opportunity for students to observe and learn about a wide variety of animals from around the world. It aligns perfectly with the topics we've been covering in class, allowing students to connect theoretical knowledge with real-world experiences.

Educational Benefits:

During the trip, students will have the chance to:

- Explore various ecosystems and habitats.
- Learn about animal conservation and the importance of biodiversity.
- Observe and engage with a wide range of fascinating animal species.
- Gain insights into the daily care and routines of the animals at the zoo.

What to Bring:

- Packed lunch and plastic bottled water (please avoid any nut-based products).
- Children who have Free School Meals will have a packed lunch provided.
- School uniforms should be worn and suitable footwear for walking.
- Rain jackets or umbrellas, as the weather can be unpredictable.
- Any necessary medications (if applicable).

Volunteers:

If any parents or guardians are interested in volunteering for the trip, please contact our school office as soon as possible. Your assistance would be greatly appreciated.

If you have any questions or concerns, please do not hesitate to reach out to me or our school office. Your support and involvement in your child's education are invaluable to us. We look forward to a wonderful day at London Zoo with your children.

We would like to remind parents/carers of the yearly £20 fee for trips to support us with ensuring that children at Mason Moor have the opportunity to explore the curriculum and have additional learning opportunities.

Warm regards,
Mr B.Thompson
Year 2 Teacher
