NSPCC Number Day – Friday 2nd February 2024

NSPCC

Dear Parent and Carers,

Next Friday 2nd February, we are delighted to again be supporting the NSPCC by taking part in Number Day.

Everything the NSPCC does protects children today and prevents about tomorrow

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that is always there for children and young people whatever their problem or concern.

The NSPCC Number Day is an annual fundraising event which allows children to explore maths in a practical and fun way at school with their peers. Next Friday 2nd February, we will be having a fun morning of maths activities and we will be taking part in *Dress up for Digits*. If possible, pupils are asked to wear an item of clothing with a number on it (socks, tie, football shirt, cap, or even a onesie!). If they wish, children could get even more creative by dressing in a maths or numbers theme. To help raise money for the NSPCC, (if you are able), we are asking for donations of £1 per child. We would love everyone in the school to take part in this special event.

It all adds up

We are really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Mason Moor will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Yours sincerely,

Ms A Brooks
Deputy Headteacher
