### Red Nose Day

---

Dear Parent or Carer,

Red Nose Day takes place on Friday 15th March 2024 this year and we are looking forward to celebrating with the children wearing something red to school.

As we know the cost-of-living rise has affected many households over the recent months, therefore, we are encouraging you to be creative with items you may have in your house. We can't wait to see your children in their red clothing or/and accessories.

We would ask for a £1 donation to give to Red Nose Appeal, this is payable to your class teacher or the office.

Yours sincerely,

Mrs Bauck  
Head of School
