

Brief Update following the Prime Minister's announcement

Monday 11th May 2020

Good morning,

I do hope your families are safe and well. Following the Prime Minister's announcement last night, we are awaiting further guidance. As schools, we receive exactly the same information as the general public and at this stage we cannot answer any questions that this announcement may have raised. We have been advised to wait to receive more information from the government about what this means for our schools.

In the short-term, nothing has changed and we will provide further information in the coming days and weeks once we are able to do so. We will contact all families as soon as we have been advised and can plan accordingly. Thank you for your support and stay well.
