## The Great Exhibition

SAVE THE DATE: Wednesday 24<sup>th</sup> July 2024

Each term we showcase the home-learning projects that children have made in response to knowing more, remembering more, and doing more in our ambitious curriculum.

Parents and carers come and share in the excitement of our School Hall being transformed into an exhibition space. Children love showing off their learning.

## EAL Class - Parents

Every Tuesday 9 - 10am

Mr Buchalter (our EAL teacher) runs a weekly class for parents and carers in the community, to help brush up on using English. In addition to beginner class, Mr Buchalter also offers a conversational English class to support our community at developing English proficiency.

All materials for learning are provided. Come and visit!

## SEND Coffee Meeting

Parents and carers of those with a diagnosed Special Educational Need – as well as those who may suspect their child has additional needs – are welcome to come to meet our SENCo and Assistant SENCo.
