Key knowledge – What is cuneiform?

Cuneiform is Mesopotamian writing made up of marks or letters shaped like wedges. This was drawn on clay tablets by pressing a stylus into clay.

It was used to write stories or personal letters.

This is a clay tablet with special writing called cuneiform.

Key knowledge – What is a ziggurat?

A ziggurat looks like a stepped pyramid and it was made of mud-bricks. A ziggurat had stairs leading to a gate and this led to a temple at the top. The temple is where the people of the city went to worship the god of the city.

A ziggurat
