KS2 Class Topic Event – Years 4,5 and 6

Dear Parents and Carers

We would like to invite parents and carers of children in Years 4, 5 and 6 to a Topic Event at Mason Moor on Thursday 18th April from 9-10am. This is an exciting opportunity for you to come and see the learning within your child's class, take part and support them. We ask all parents who wish to attend to use the QR code to sign up via School Cloud.

The event will begin at 9am, parents and carers will be required to sign in at the school office and you will then be taken to your child's class at 9.10am. If you arrive after this time, you will unfortunately not be able to attend the event as we do not want the class to be disrupted once they are taking place.

The event will finish at 10am and parents/carers will be taken back to the school office. If you have another child within Year 4, 5 and 6 we ask that you remain in one class and do not go between them. There will be other events during the next academic year that you will be invited to attend.

Yours sincerely

Mrs Bauck
Head of School
