Dear Key Worker Parents / Carers

Here is the key worker booking form for the next two weeks. This group will be kept completely separate from any other children in school in order to keep everyone as safe as we possibly can. This group will be using the school hall and the Hub (room next to the hall) as its base but also having regular exercise outside.

Please let us know by Wednesday 17th June whether a space is required for the weeks commencing 22nd June 2020 and 29th June 2020 – if you DO NOT let us know each week, we will be unable to offer your child the place and staffing will be based on returns.

If there is an emergency and you find your shifts have changed, please contact office@masonmoorprimary.co.uk to let us know and we will do everything we can to accommodate this.

Kind regards

Miss K Wharton
