Good afternoon,

Due to increased demand, we have needed to extend our key worker provision. Your child will now be in a group based in Fraser classroom. The adults supporting this group will be Mrs Cooper and Miss Tribbeck (who have already been supporting this group) and Mrs McGratten and Miss Fantaye (who are currently not supporting children). We have organised it in this way to keep all our children and staff as safe as possible in school.

To drop your child off in the morning and pick them up in the afternoon please follow the one way system through the playground. You will need to enter through the Helvellyn Road entrance and leave through the Crigdon Close gate. This is clearly marked on the pavement in yellow. Your child will need to be dropped off and collected via the double doors between Year R's playground and Wiggins class door (the old school entrance). This has been indicated on this map with an X.

In all other ways, the group will work exactly the same way as previous weeks.

Please contact the school office if you have any questions regarding this change.

Yours faithfully,
Kristy Wharton
