Dear Key Worker Parents/Carers,

Here is the key worker booking form for the last two weeks of term. This group will be kept completely separate from any other children in school in order to keep everyone as safe as we possibly can. This group will be using the school hall, the Hub (room next to the hall) or Fraser class as it's base but also having regular exercise outside.

Please let us know by **Wednesday 1st July** whether a space is required for the weeks commencing 06/07/20 and 13/06/20 - if you DO NOT let us know each week, we will be unable to offer your child the place and staffing will be based on returns.

If there ever is an emergency and you find your shifts have changed - contact office@masonmoorprimary.co.uk to let us know and we will do everything we can to accommodate this.

Kind regards

Miss K Wharton
