

MASON MOOR PRIMARY SCHOOL

WEEKLY SCHOOL NEWSLETTER

Headteacher News | Friday 14th June 2024

Year 3 and 4 have enjoyed trips this week! Year 4 visited Kew Gardens this week as part of their science learning, they explored the site. Year 3 have visited Hampton Court Palace, they are exploring the grounds and learning about how the Tudors lived.

Year 6 fundraising for end of year celebration! Year 6 are holding car boot sale on Saturday 29th June 2024 from 10am-1pm (set up from 9am). The Year 6 cohort would like the fundraising to happen to allow them to have a reward trip at the end of the year to say well done for their hard work during the SATs and for their goodbye treat from Mason Moor. If you are interested in having a pitch, please contact the office (spaces are limited to 15 cars/vans). We look forward to seeing our families from 10am, with lots of exciting activities.

Tombola! As part of the car boot sale we would like to hold a tombola. To support with this we will be holding a non-school uniform day on Friday 21st June. For this could you please bring in prizes we could use for the tombola – e.g. chocolate.

Dates for your diary:

- Tuesday 18th May:** SEND Coffee morning (9-10am)
- Tuesday 18th May:** English Class for parents (9-10am)
- Tuesday 18th May:** Year 4 Class assembly event (9-10am)
- Wednesday 19th June:** Year 5 Class assembly event (9-10am)

Have a great weekend!

#teammasonmoor

Ms Bauck | Head of School

Weekly Attendance Monitoring - Our Target is 97%

Remember: we will not authorise ANY absence during term time. Please make sure your child attends school on-time every day.

WARNING

MASON MOOR ATTENDANCE: 90%

Class Cake Winners

Whole School Attendance figures:

Year 4

Well done to all the children in this class - we are proud of each one of you.

Monday Morning Milkshake Winners

Year R

| | Last Week | This Week |
|--------------|-----------|-----------|
| Nursery | 84% | 90% |
| Year R | 88% | 86% |
| Year 1 | 96% | 94% |
| Year 2 | 93% | 88% |
| Year 3 | 91% | 89% |
| Year 4 | 97% | 97% |
| Year 5 | 89% | 87% |
| Year 6 | 85% | 89% |
| Whole School | 92% | 90% |

Top Tips for improving your child's attendance:

1. Send them in every day - except if they have sickness, diarrhoea or chicken pox. We can make sure they are looked after.
2. Don't book holidays during term time. They miss important elements of learning.

If you need support, please speak to Mrs Deltrieu.

| 6 Green | Josh |

Sign of the Week

Makaton is a visual way to develop communication skills, which helps stimulate sounds and words. Makaton is used across Early Years settings, as well as with children with SEND and those who need to build up their confidence.

Sign of the week:

Friends

Parking

We have had further incidents this week where vehicles have been parked across our main gate and the children's crossing to our school. If we see people in the vehicle, we will politely ask them to move on however please rest assured, we are monitoring this situation to ensure safety for our children. The council have also been in touch and are considering closing off the road (except for residents and access) at the start and end of the school day.

Spotlight on PE

PE Word of the Week:

Accelerate

Definition:

To begin to move/run more quickly

PE thought of the week.

'A winner is a dreamer who never gives up!'

PE AWARD WINNERS

KS1

Noah (Year 1)

KS2

Boys Football team (Year 6)

PE Days

Children will need to wear PE kits to school on the days they have PE. A reminder that a PE kit is a white t shirt, black or navy shorts or tracksuit bottoms, trainers.

Monday:

Years R, 1, 2, 3

Tuesday:

Years 4, 5, 6

This week children in Years 3, 5 and 6 have begun working with Hampshire Cricket through their Chance to Shine project. The children enjoyed learning new skills and will continue to do so across the Summer 2 term.

Maci (year 5) has written a summary of this week's lessons, look out for the write up next week.

In cricket this week we have been learning about teamwork. We got to play a fun game of follow and we were able to do catching. We practiced a lot of teamwork exercise. We are really looking forward to playing lots of games of cricket and practicing out batting and bowling skills.

Learning at Mason Moor:

Nursery

In nursery this week the children have been organising vehicles into grips by size, colour, and transportation type using mathematical language. We have used our gross motor skills this week to build a house in the garden where the children worked together cooperatively, this was in the moment style planning which had enhanced the children learning and experience.

The Ark

We have welcomed a new pupil this week. He is doing really well with adjusting to his new environment, new friends, new adults and lots of transitions. It has been lovely to see all our children in the Ark interacting with the activities and our new friend.

Year R

This week Reception has continued learning about transport. We have been writing about Racoon's next adventure linked to our class story Racoon and the hot air balloon. In Maths we have explored composing and decomposing 2D shapes. We have been learning about our sports day events and have been cheering on our friends as they race.

Year 1

This week year 1 have been working really hard completing their phonics screening check. We are super proud of all of the children who tried their best. In Geography we have learnt about the Houses of Parliament and the role of people that work there. In History we learnt about the Mayor of London and all of his responsibilities and jobs.

Year 2

The year 2 team want to start by saying a massive well done to all the year 2 children! They all did such a great job in their SATs. We are all very proud of them! The focus this week in our non-core lessons has been on how William won the Battle of Hastings. In Geography the children have been exploring the cultural characteristics of England.

Year 3

This week during our tests Year 3 have shown incredible resilience and maturity. They have worked so hard and tried their best in each and every test. They have had a great time learning how to be architects in their art lessons, and we are all looking forward to our class trip to Hampton Court Palace on Friday.

Year 4

Year 4 have a very busy week. We've been working incredibly hard completing maths, reading and spelling tests and have made great progress in our learning this term. We celebrated by having a fantastic trip to London to visit Kew Gardens. We walked an enormous 10km around the park including walking in the trees, visiting plants for around the world and enjoying time in the children's garden. We spent time doing some outdoor learning in Kew Gardens creating art from natural objects we found in the gardens.

Year 5

In Year 5 this week we have been working hard to complete our tests! We have also continued our learning journeys in history, geography and science. We have really enjoyed learning all about the Caribbean Islands and the climate there. This week we were also really lucky to receive a cricket lesson! We learned all about how to throw and catch, and enjoyed playing lots of different games as a class. We are really looking forward to continuing our cricket learning next week.

Year 6

Year 6 this week have continued developing our understanding of the book 'The Island'. We have been looking at different speech (direct, split and reported speech). The children have been able to distinguish between all 3 and have been able to include it within their writing. We have also started our new unit in Science of physics - getting them ready for Secondary school. They've learnt what an atom is and how it is formed. Please ask your child what it is made up of and what it's called when multiple atoms join together. We discussed how static charge has more of a positive charge when the electrons have been moved to make the atom unbalanced. They were amazing at being able to articulate themselves.

Maple Class

This week in Maple class pupils have been continuing to work on using fractions to find amounts. In topic maths this week pupils have been focusing on direction. In this series of lessons pupils have been developing their skills of using a compass. Pupils have continued to focus on their individual speed sound and in SPaG the pupils have been introduced to verb inflections. Maple class took part in Springwell's sports day on Thursday and all the pupils did amazingly well!

MASON MOOR
PRIMARY SCHOOL

*Is your child 3 or 4 years old?
Come and join our amazing new
Nursery!*

We offer 15-30 hours of provision, in our new Nursery with our fantastic team!

Your child can begin their Mason Moor journey and give them the best start to their education.

Visit our school office or our website for information on registering your child.
