

MASON MOOR

PRIMARY SCHOOL

WEEKLY SCHOOL NEWSLETTER

Headteacher News | Friday 5th July 2024

Paulton's Park! Year 6 have spent the past couple of weeks fundraising to allow them to visit Paulton's Park! The children have worked hard thinking of different ways they can raise the money and then working together as a team to do so. They have raised £837.10! Well done! Their target was £870, to help raise the last little bit the children will be holding an ice lolly sale next Wednesday 10th July and Thursday 11th July after school.

Sports Day. This week the school has been in a sporting frenzy with Sports Days being held across the week. Well done to all those involved and thank you to parents for supporting as always. Due to the weather this morning Nursery and Reception had to be postponed, these will be reorganised soon, and details will be sent home when a date has been arranged.

No Smoking Zone! Please can we remind all parents/carers that Mason Moor Primary School has a strictly no smoking policy onsite in place. This means that smoking or vaping onsite is strictly prohibited. Thank you for your understanding and cooperation.

Dates for your diary:

Tuesday 9th July: SEND Steering Group 9-10am

Tuesday 9th July: English Class for parents (9-10am)

Wednesday 10th July: Optional Parents Evening (after school)

Thursday 11th July: Year 1 trip to Windsor Castle

Thursday 11th July: Year 6 Science Fair at 2.30pm

Have a great weekend!

#teammasonmoor

Ms Bauck | Head of School

Weekly Attendance Monitoring - Our Target is 97%

Remember: we will not authorise ANY absence during term time. Please make sure your child attends school on-time every day.

WARNING

MASON MOOR ATTENDANCE: 91%

Class Cake Winners

Whole School Attendance figures:

Year 4

Well done to all the children in this class - we are proud of each one of you.

Monday Morning Milkshake Winners

Year 1

	Last Week	This Week
Nursery	90%	88%
Year R	83%	87%
Year 1	92%	95%
Year 2	90%	93%
Year 3	87%	86%
Year 4	96%	97%
Year 5	87%	87%
Year 6	91%	92%
Whole School	90%	91%

Top Tips for improving your child's attendance:

1. Send them in every day - except if they have sickness, diarrhoea or chicken pox. We can make sure they are looked after.
2. Don't book holidays during term time. They miss important elements of learning.

If you need support, please speak to Mrs Deltrieu.

Mason Moor Award Winners - Presenting the Pride of Mason Moor...

GOLDEN BOOK AWARD WINNERS

Year	Winner
R Blue	Patryk
1 Blue	Elizabeth
2 Blue	Robby
3 Blue	Nana

Key Stage 2 Children

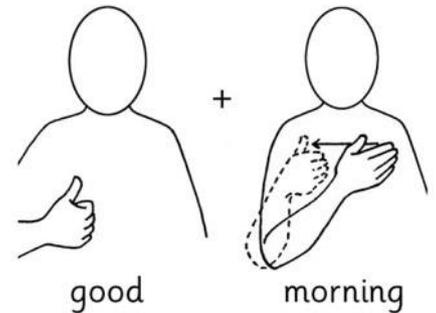

Year	Winner
4 Blue	Kuba
5 Blue	Miya
6 Blue	Mia
6 Green	Vinnie

Sign of the Week

Makaton is a visual way to develop communication skills, which helps stimulate sounds and words. Makaton is used across Early Years settings, as well as with children with SEND and those who need to build up their confidence.

Sign of the week:

Good morning

Parking

We have had further incidents this week where vehicles have been parked across our main gate and the children's crossing to our school. If we see people in the vehicle, we will politely ask them to move on however please rest assured, we are monitoring this situation to ensure safety for our children. The council have also been in touch and are considering closing off the road (except for residents and access) at the start and end of the school day.

Learning at Mason Moor:

Nursery

In nursery this week the children have been listening to a new story 'Dig dig digging'. We've explored the different vehicles in the story and how they can help us. Next week we will be focusing on people who help us. Speak to your children over the weekend – how many can you think of?

The Ark

We have enjoyed lots of sensory play (including a sensory walk) mixed in with our learning this week. We loved our Sports Day this week and are proud of all the children and what they have achieved within this time. Well done everyone!

Year R

This week Reception has learnt about Trinidad in our Topic lessons. We looked at the environment, animals and weather and compared them to England. We also learnt about Carnival and made beautiful masks. In Writing we have started writing our stories which we will carry on next week and in Maths we have been exploring the greater than, less than and equal signs. On Friday we had a fabulous Sports day and enjoyed cheering for our friends.

Year 1

This week year 1 have really enjoyed meeting their new teacher. They all made an amazing effort on sports day; we are so proud of all the children. In maths we have continued to learn about money. We were exchanging coins for notes. We have finished our story on the film 'Bubbles' were the children changed the location the bubbles took the little girl.

Year 2

Well done for a fabulous Sports Day, Year 2! All the children showed great sportsmanship. It was heartening to see parents cheering from the side-lines and the children praising and encouraging each other! I hope the teamwork demonstrated on Sports Day continues as we spend our last few weeks together before the summer holidays.

Year 3

This week Year 3 have been superstars at their sports day. They worked hard and showed incredible teamwork, competitive spirit, and support of each other. They have also started exploring poetry and have practised performing a range of poems to the class.

Year 4

Year 4 has had a very busy week. Year 4 had a great morning taking part in sports day on Tuesday representing Brazil. In geography we have been learning about different landmarks in Northern Ireland, this week we have focused on learning all about the Marble Arch Caves and what are stalactites and stalagmites. In history we have moved on from learning about King James II to William of Orange and his reign as King and are looking forward to learning more about him in our next few lessons. We have been learning how to convert decimals into fractions in maths and have been doing a brilliant job with all our maths learning this week.

Year 5

This week in Year 5 we have had a lot of fun! On Tuesday we took part in sports day, representing Great Britain! We had a lot of fun taking part in all of the activities that took place that day, and loved the ice lollies we were given at the end of the morning. On Wednesday we met our new teacher, Miss Adie! We really enjoyed getting to know her better, and we are looking forward to having her as our teacher next week. On Friday we celebrated the end of our time with Miss McKenzie by watching a film with snacks. We are really looking forward to getting ready for Year 6!

Year 6

Year 6 have had a wonderful busy week this week - looking very different from a normal week. With Paulton's Park, sports day, transition day and play rehearsals, they have been super busy and have been so well behaved with representing the school at all the different events that have happened. All the children loved experiencing the thrill of the rides and having the choice between which rides they'd like to go on. It was lovely seeing how they paired themselves off in different pairs to normal. It was such a good team building activity too. It was lovely to see how many parents turned up for sports day - thank you!

Maple
Class

This week we have had a focus on Nature. The children have been exploring nature in different ways. Year 6 have had a great week with their transition to secondary schools and a day out in the forest. All children greatly enjoyed sports day and we loved seeing their smiley faces.

MASON MOOR
PRIMARY SCHOOL

*Is your child 3 or 4 years old?
Come and join our amazing new
Nursery!*

We offer 15-30 hours of provision, in our new Nursery with our fantastic team!

Your child can begin their Mason Moor journey and give them the best start to their education.
