

HEADTEACHER MESSAGE

It has been a very quiet couple of weeks without years 3, 4 or 5 in school. We have really missed the children and are looking forward to seeing them all next week. It has great, however, to see so many of them taking part in live lessons this week. This is the first time that we have carried out live lessons in school. They have been extremely successful and the turnout has been fantastic. Thank you to all our families for the support you have given school throughout this difficult period. It means a great deal to the staff at school.

BORROWED LAPTOPS

Please bring back any borrowed laptops that have been lent out during self-isolation on the first day your child is back in school. We then need to put them in quarantine for a period of time before offering them out to others in need of them.

Please bring them into the school office where there will be a box for them to be placed in. We can identify each of them from the serial number of the laptop so don't worry if they are not named.

OUTDOOR AREA TRANSFORMATION

We would like to say a BIG thank you to Hampshire Fire and Rescue Service And The Princes Trust who have kindly transformed our outdoor story telling area.

The entire area has been rejuvenated; the seating area has been repainted, the pond restored, handmade bird boxes and animal fact files have been installed and new colourful plants have been planted. The volunteers walked 500 miles to raise money to finance the project and as you can see from the before and after photos, have done a brilliant job!

CLASS IN FOCUS – Magorian (Year 5)

Magorian Class have recently started a new English unit to use persuasive writing to create an advert for a new chocolate bar. We have started to analyse advertisements identifying what we like about them and who the target is.

In other news, for several weeks, Magorian class have been following our 'Nature Jar' that was sealed before half term and is slowly developing a rather interesting hair style!

Mr Denson has been updating the children on the developments in the jar on Google Classroom until the jar can be returned to school!

WINTER IS ON ITS WAY

As the weather starts getting colder please ensure that your child has a warm coat for school.

Also, please ensure that your child's school uniform is cleaned regularly as it has been shown that COVID 19 can live on fabrics.

CHRISTMAS

35 SLEEPS UNTIL
CHRISTMAS

Please keep an eye out next week for a letter outlining our plans for Christmas.

CHILDREN IN NEED

WHEN: Friday 27th November

WHAT: Come in with either odd socks, crazy hair or both odd socks AND crazy hair

Please note: we will not be asking the children to bring money in, however should you wish to donate something you can.

AFTER SCHOOL CLUBS

Please note that all after school clubs will be continuing through lockdown due to some of our parents using this additional time as childcare.

Please be assured that all clubs will only be delivered by Miss King through this lockdown period.

As Miss King is already delivering PE lessons, we feel that there is no additional risk to the children.
