Moses parting the sea is a **miracle in the Bible that occurred when Moses led the Israelites out of slavery in Egypt**. **Moses** raised his staff over the Red Sea, and **God** caused a strong wind to blow, creating a dry path for the **Israelites** to cross. The **Egyptian** army followed them, but the sea closed over them, drowning them. **The miracle showed God's power and deliverance.** (Exodus 14)

Words from the **Qur'an**: **"...Allah has power over all things and ... Allah encompasses all things in His knowledge."** (At-Talaq, 65: 12).
