

HEADTEACHER MESSAGE

Monday 18th January – 2:30 pm CELEBRATION ASSEMBLY

Celebration Assembly will start up again next week. Each class will be sent out the link on their Google Classroom stream on Monday. All certificates for children working at home will be sent out in the post.

GOLDEN STICKERS

Golden stickers will be starting up again on Monday. Children receive one of these if they reach the top of the behaviour board and finish the day on OUITSTANDING. For children that are at home – we will keep them for you in a chart.

ENGAGEMENT IN LEARNING

Well done to all the children that are working really hard on their learning at home. At the moment, **60%** of children are completing the work that is set. We want to improve this further so please try your best to take part in online lessons. If you have any problems., please contact the school office or the child's class teacher.

DATES TO REMEMBER

Friday 12th February
Last day of School
Monday 22nd February
First day back at school

NEW YEAR R STUDENTS - REMINDER

If you have any younger children due to start school this September (DOB range 01.09.16 to 31.08.17) you must make an on-line application before **2359 hours on 15th January 2021** otherwise your application will be classed as late.

You can apply on Southampton City Council's website:

<https://www.southampton.gov.uk/schools-learning/find-school/apply-school/>

LAPTOPS

We have now received 36 new laptops to support children at home while carrying out remote learning. If you are finding it hard to access Google Classroom because you do not have a laptop to use, please let us know and we will try to help. We don't have enough for everyone, so we have to look at each request carefully.

We like to move it, move it! We like to MOVE IT!

Massive WELL DONE to all of those children who have been logging in to complete their online PE sessions and staying active every day. Miss King has been so impressed at how hard the children are trying and it has been fantastic to see so many children having fun and working hard. With appearances from some older dance songs, she hopes she has also put a smile on some of the parents faces as well.

If you are struggling to log on live or if you are looking for additional ways in which your children can stay active while at home in addition to the live PE and Joe Wicks sessions, you can visit the Superstar Sports YouTube page where Miss King and some of her friends have posted videos which include challenges for a variety of different sports and games.

Cosmic kids yoga and Primary PE planning are other great YouTube channels which can help to offer ideas and children can follow along at home.

KEEP GOING! Let's keep our children active as it will not only help their fitness levels, but also their concentration when doing lessons and their mental health overall.
