

HEADTEACHER MESSAGE

It has been a great week of learning with particularly fantastic writing taking place in all classes. There are definitely lots of budding authors in our school!

Can we please remind parents, carers and children that the rules on social distancing are still in place and we appreciate your cooperation with this at drop off and pick up.

Please remind your child that toys are not permitted in school. We have seen a lot of fidget toys recently which should not be brought in as they are getting lost and/or broken. The school cannot take responsibility for lost/broken toys so it would be appreciated if you can encourage your child to leave them at home. We do understand that a small number of pupils do use these to help them concentrate in lessons. This is only allowed with the agreement of the class teacher and a school leader.

Have a lovely weekend.

TURNER SYNDROME AWARENESS DAY – Monday June 21

At Mason Moor Primary we pride ourselves on celebrating all of the things that make us different and unique. Everyone is special in many different ways. With this in mind, on Monday June 21st we will be celebrating and raising awareness of Turner Syndrome.

Turner Syndrome is a chromosome abnormality affecting only females, caused by the complete or partial deletion of the X chromosome. Turner Syndrome is close to our heart as Livinia, in Sparkes class, has Turner Syndrome. Livinia is a delightful and happy member of our school community. She always has a smile for everyone in our school community and definitely knows how to make the most of every situation.

In order to celebrate and raise awareness of Turner Syndrome we would like everyone to come wearing one item of clothing in either something **YELLOW** which is Livinia's favourite colour or **PURPLE** as this is the colour associated with Turner Syndrome. This could be a t-shirt, hairband, bracelet, scarf and socks. We are asking for donations towards Turner Syndrome Support Society (UK). There will be buckets at the gate when the pupils come in at the beginning of the day.

Thank you for your support.

CLASS IN FOCUS – Year R Jeffers

In Jeffers Class we have had a great week in the sun, enjoying playing in the outside area. Having a great time exploring, building and learning in all areas. It was lovely to hear the children explain to us why the sand needed to be wet to build a sandcastle, and the

proper things we needed to put on our holiday checklists at the role play travel agents. We have even been practicing our maths using the seasaw where we have been measuring and balancing weights. Don't worry though as we have been stopping for lots of drink breaks over the day.
