

### HEADTEACHER MESSAGE

Thank you ever so much for the support the school has received after we had to close bubbles this week. Please can I remind everyone to make sure they check any emails that come from school as this is the method we used to communicate any bubble closures; especially late at night.

If you have changed your email address, please let us know so we are able to keep our system up-to date.

Have a lovely weekend. Miss Wharton

### CLASS IN FOCUS – YEAR 1 MINIGREY

In year 1 we have been learning all about plants!

We learnt how to plant a seed and then used this learning to plant our very own bean in week 1. We watched them grow from small beans to then the roots appearing. Each day one person is selected to be our plant monitor and they get to water our plants.

We are really enjoying watching the plants grow.

Mrs Wood

## TURNER SYNDROME AWARENESS DAY

**MONDAY JUNE 21**

Turner Syndrome is a chromosome abnormality affecting only females, caused by the complete or partial deletion of the X chromosome. Turner Syndrome is close to our heart as Livinia, in Sparkes class has Turner Syndrome. Livinia is a delightful and happy member of our school community.

A BIG thank you to everyone that took part in Turner Syndrome Awareness day on Monday June 21<sup>st</sup>. We came dressed in either something

**YELLOW**, which is Livinia's favourite colour, or **PURPLE** as this is the colour associated with Turner Syndrome. we raised **£54.19** for this worthy cause.

## SPORTS DAY – 5<sup>TH</sup>, 6<sup>TH</sup> & 8<sup>TH</sup> JULY
