Key knowledge – Charles I vs Parliament

Charles I needed money but **Parliament** didn't want him to have any until he changed a few things. **Parliament** wrote the **Petition of Rights**, telling the King what they wanted him to do, before he received any money. **Charles I** was furious and shut down parliament for 11 years! The **Grand Remonstrance** was created by **Parliament** telling **Charles I** what they wanted to happen and until it did **Charles I** wouldn't be able to have any money. **Charles I** refused to except. This eventually led to the start of the **Civil War** between **Charles I** and **Parliament**.

Cavaliers

Supporters of **Charles I**. Believed that as the king was chosen by God, his power should not be restricted by **Parliament**.

Roundheads

Supports of **Parliament**. Believed **Parliament** should be able to limit the power of the king.
