Key knowledge – Human and physical features of Australia

Human features

Sydney Opera House

Physical Features

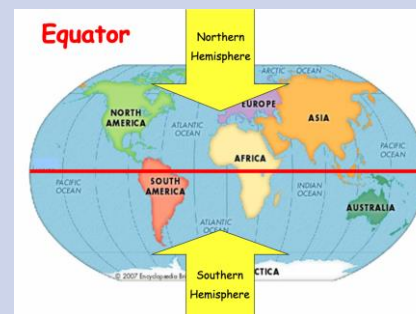

The Great Barrier Reef

Key knowledge – What is special about Uluru?

Uluru changes colour during the day according to the position of the Sun. Sometimes it looks brown. At dawn and at dusk, it looks red. It has two names: Uluru or Ayer's Rock

Key knowledge – What is the weather like in Australia when it is summer time in the UK?

Australia's seasons are opposite to the UK, this is because Australia is in the Southern Hemisphere and the UK is in the Northern hemisphere. When it is winter in Australia it is summer here in the UK.
