Reception and Year 1 Trip to Teddy Bears Music Concert

Dear Parents and Carers

On Monday 12th of December we have an exciting opportunity to go and see a Teddy Bears Music Concert at Central Hall in Southampton. We are linking with St Mary's CE Primary school and will be travelling across to St Mary's before lunch. The children will then be eating their lunch at St Mary's school with the other Year 1 and Reception children before walking to Central Hall to watch the concert. School will provide a packed lunch of a sandwich, fruit, drink and biscuit/cake which will enable the children to throw away their rubbish and not loose or leave behind any personal items in a school three times the size of Mason Moor.

If you have any questions in relation to these arrangements please speak to a member of your child's class team.

Kind Regards

The Reception and Year 1 Teams
