

Teaching Type: Little Angels

Unit: LES PETITES BÊTES

Unit Objective: To learn the words for ten minibeasts and learn how to follow instructions in French.

By the end of this unit we will be able to:

- Recognise and recall 10 minibeasts in French.
- Recall greetings more easily in French.
- Recognise and follow instructions in French.
- Follow an animated story in French.

It will help if we already know:

- Vocabulary from the **Salutations** unit.

Phonics & pronunciation we will see:

- CH sound in Charlotte la chenille
- OU sound in Bonjour
- ON sound in Bonjour, le papillon, le hérisson
- OI sound in Au revoir

Even if we do not see these letters and sounds in the lessons often, we will hear these signature French sounds many times as they appear in key words in this unit.

Activities we will complete:

A lot of tasks, including simple stretches and breathing exercises to help us learn to listen more carefully in French. Repeating the physical actions, saying words and short phrases each lesson to ensure we can remember all the new words and language presented to us. Constantly revising what we already know each lesson so that we can improve our memory skills.

Skills we will develop:

Learning to listen carefully and repeat what we hear with improving accuracy. Working on memory skills so we are able to remember the new words we have learnt in French long term and with accurate and authentic pronunciation.

Grammar we will learn & revisit:

Nouns & articles/determiners. We will start to notice that in French there are often more options for single words like determiners than in English. For example, as seen with the word for 'the' in French. Le papillon but la grenouille. We will see that this happens a lot in French and learn why in future units!

Vocabulary we will learn & revisit:

10 minibeast creatures, instructions, and an opportunity to revise and recall greetings.
